Lr letter no G 377 dated 13-9-43 from the Compiler, Mysore Gazette, Soliciting instructions as to whether it would not be sufficient in the Gazette only brief notifications of general elections relating to Municipal Councils

The Compiler Mysore Gazette has reported that the Calendar of events relating to elections covers considerable space when published in the Gazette The details contained in the Calendar of events relating to the Municipal Councils would not be of much interest to the public in general as the election is concerned with the inhabitants of a particular locality In view of this, it is not perhaps necessary to publish the in detail the Calendar of events relating to Municipal elections and a brief notification in respect of the same as the one on page flagged V/L would be sufficient If appd, the local officers would be requested accordingly No form has been prescribed for the Calendar of events

A draft letter is also put up for appl or other orders

The calendar of events need be published in extenso A abstract of the notn would

No L 7855-65/M.L.25-41-13

OFFICIAL MEMORANDUM

It is observed that a good deal of matter pertaining to Local Self-Government such as levy of shop tax, holding of Cattle Shows, elections to Village Panchayets, sale of sites in extensions in Municipalities, etc , is being got published in the Mysore Gazette, Part III-3, although such a publication in the Official Gazette is not prescribed for in the several Local Self-Government statutes and the rules and the bye-laws framed thereunder Government direct that, as a measure of economy, the matter proposed for publication in the Gazette should be carefully scrutinised before despatch and that only notifications, the publication of which in the official Gazette has been specifically prescribed in the Statutes got so inserted

In regard to the holding of Jatras, sale of sites, Bye-laws for levying license fees or rules for levying taxes within the limits of indivual Municipalities, calendar for bye-elections, etc , in Municipalities, it would be sufficient if an abstract of such a notification or notice is got published in the Gazette indicating therein that, for detailed particulars the officers concerned should be referred to The Deputy Commissioners of Districts are requested to issue suitable further instructions in this behalf to the subordinate Offices for strict adherence

Government would be glad to consider suggestions if any, for further curtailment of Local-Government matter published in the Gazette, from the Officers concerned
